Announcing the PMITTS STOC Industry Day
March 20, 2002 Orlando, Florida
PM ITTS
PMITTS is pleased to announce the second PMITTS STOC Industry Conference scheduled for March 20th at the Holiday Inn Select Orlando East/UCF. The purpose of this conference is to update our industry partners on the business opportunities within PMITTS. The conference will be an excellent tool to facilitate teaming with other key industry players.
Please visit the following links for more information:
Conference Announcement (Microsoft Word Document)
Conference Registration Form (Microsoft Word Document)
Draft Industry Day Agenda (Microsoft Word Document)
Please fill out the registration form and return via email NLT March 13th to Ms. Leslie Kennedy via email at: leslie_kennedy@stricom.army.mil
Due to vast interest, there will be an opportunity for Industry to engage in a one-on-

Due to vast interest, there will be an opportunity for Industry to engage in a one-on-one information sharing session for the Contamination Avoidance Detector Test Suite (CADTS) gram on March 21, 2002, also at the Holiday Inn. These 30- inute confidential sessions will be scheduled for contractor t s to discuss their ideas/concerns/questions with the vernment team. If you wish to attend one of these sessions, please send an email to leslie_kennedy@stricom.army.mil with the names of those who will attend. A session time will be assigned via email response on a first-come, first-served basis. Information regarding CADTS can be found at:
http://www.stricom.army.mil/CADTS.jsp
